

The Reading Group

The Reading Group is now in its fourth year and has a steady membership of 15, which is considered to be sufficient for the enjoyment of the group. The group continues to meet at The Hood each month and enjoys a "supper" meeting twice a year.

Sue Hares

"On Yer Bike"

Nobody needs to be reminded of the poor weather conditions last summer, so won't be surprised to learn that our outings were often abandoned or curtailed. Also, the number of available cyclists was down, with moves away from the village (one only temporary) and lengthy holidays taking their toll.

We will give it a go again this year. Surely we are due some weather more conducive to a gentle evening saunter through the local lanes? Certainly those who have cycled before are keen to continue - so fingers crossed for some good conditions and off we go!
