The Coffee and Craft meet on the last Tuesday morning (10am until 12 noon) of every month, members bring a long what ever craft they are working on from knitting to tapestry or just come for a chat and coffee.

Last Christmas we were able to send 18 cot blankets to Bosnia, members knitting squares and one clever lady sewing them together.

Several ladies knitted childrens jumpers hats and scarfs etc., so we were able to send these as well.

Another tapestry kneeler for the church has been completed, this was to commemorate the Jubilee and the Olympics. New members are always welcome, we are always glad of someone to make the coffee!!!!
