

Kilve Annual Parish Meeting

April 17th 2014

Gentlmen's Luncheon Club

The gentlemen's luncheon club meets on the 1st Monday of the month unless there is a serious clash with other functions; being an amicable bunch we then move it to the 2nd Monday

There are 25 gents on the books – so the numbers having a meal range from 8 in the summer holiday season to almost a full house at Christmas.
Some of us are very regular members and have lunch most months while others only join us about twice a year

We meet at the Hood for a pre-lunch drink – all very convivial and set the world to rights over a 3 course meal

There is a set menu of 3 choices from which to choose; I deal with the ordering mostly by email except for a few luddites who are not on computer, which then requires a telephone call (or two!)

All are welcome, see me (cross my palm with silver) if you wish to join
