

## Notice for Kilve Parish Assembly

The Reading group is now in its fifth year and continues to enjoy a good attendance. Membership has fallen slightly due to relocation of one or two members, but numbers are still very healthy and there is no need to seek new members. The book list has been extremely varied and interesting – mainly fiction, but some non-fiction – all of which are vigorously discussed! The Group continues to meet in The Hood, the first Tuesday of the month, with a break in August and two “Supper” meetings a year.
